

## WSH Campaign 2023

The WSH council, together with MOM and other national bodies had launched the National WSH Campaign with the theme **"Reporting Saves Lives"**.

This campaign serves as a platform to raise awareness and advocate for workplace safety and health nationwide. Employers, workers, and the public are urged to actively contribute to worker well-being by reporting hazardous conditions at workplaces.

Launched on 23 May 2023, it encourages collective responsibility for ensuring a safe and healthy work environment.

The key points are:

- Employers to set up an internal reporting system for their workers to report unsafe situations;
- Workers to inform their supervisor/ employer, or union leader, or the MOM should they spot unsafe practices or conditions; and
- Members of the public to report to the MOM safety lapses that they witness at workplaces.

## HSB Internal Reporting System

Everyone deserves a safe workplace and to go home safe and sound. At HSB, all staff and workers are encouraged to report any unsafe practices or send in feedbacks using our HSB EHS Guidebook "feedback" portal.

## HSB Corporate Social Responsibility Initiative During Hari Raya.

### Did You Know?

Hari Raya is a local Malay term, for the Muslim festival known as Eid al-Fitr, a significant mark the end of Ramadan, a month of fasting and spiritual reflection. It celebrates unity, gratitude, and generosity. Muslims gather for prayers, share meals, exchange gifts, and extend acts of charity, fostering a sense of community, compassion, and joyous festivities.

As part of our CSR initiative, HSB distributed various food items and Hari Raya goodies to various charitable organizations such as AWWA Adult Disability Home and Day Activity Centre, Muhammadiyah Welfare Home and Darul Ihsan Girl Orphanage.

### Iftar Event

As per tradition at HSB, we conducted Ramadhan Iftar (breaking of the fast) for the workers together with our Top Management. The Iftar event is a chance for workers to relax and share the festivities as one family. Our workers were served Nasi Ambeng, a traditional Malay dish, served in a tray to be eaten together to promote close ties and symbolise unity and harmony with friends and family.
